## Fiscal Analysis

### ASSUMPTIONS:

If SB 287 passes with Sections 1 and 2 retained as amended, the Department of Justice will be able to administer this legislation within its proposed budget for the 2007 biennium, as presented in HB2.

### TECHNICAL NOTES:

Section 10 of this bill, which voids this legislation if funds are not appropriated for the purpose of this legislation, conflicts with this fiscal note, which states that no new funds need be appropriated if SB 287 passes.
